"HOC SIGNO FORTUNA."

BALTIMORE, THURSDAY, DEC. 5th, 1818.

Rise of Tickets.

Tickets in the Maryland State Lottery will as heretofore stated, be advanced to Ninety-five Dollars on the 5th inst. Orders dated until that time will be supplied at the original rate of Ninety—We are much gratified in noticing the popularity of this small, but brilliant lottery, resulting from the great chance for obtaining a Capital prize, there being but 1350 Tickets in the whole scheme, and amongst which THIRTY TWO CAPITALS MUST BE DISTRIBUTED—and the beauty as well as novelty of the Lottery is, that THE WHOLE WILL BE DRAWN IN ONE DAY!

Congress—Bank of the U. S.

A committee of the House of Representatives has been appointed consisting of Messrs. Spencer, Lowndes, M-Lane, Bryan, and Tyler to inspect the books and examine into the proceedings of the Bank of the United States, to report thereon, and to report whether the provisions of its charter have been violated or not, and that the committee have leave to meet in the City of Philadelphia, and to remain there as long as may be necessary; that they shall have power to send for persons and papers, and to employ the requisite clerks, the expense of which shall be audited and allowed by the committee of accounts, and paid out of the contingent fund.

From the National Intelligencer of yesterday.

We had not time, yesterday, to express our satisfaction that the House of Representatives had appointed a committee to inspect the books of the Bank of the U. States, and report upon its state and proceedings; that the measure had been adopted without passion; and that, after debate and amendments, the motion had assumed a shape so unobjectionable, as to secure to it an unanimous vote—we say unanimous, because no dissenting voice was heard.

Since our last the names of the persons to compose the committee have been announced, and we have fresh reason to congratulate our readers on the prospect of a fair, full, and unprejudiced report on a subject on which much excitement exists.

It would be a great error to suppose that this measure is the result of a disposition unfriendly to the Bank, of a suspicion of the integrity of its proceedings—much less of a disposition to prostrate or cripple the Institution. There are in Congress, no doubt, many who are hostile to the Bank from various motives, and others who condemn certain of its measures. But the course which has been taken had the support of the friends as well as the adversaries of the Bank, and, it is certain, will be attended with results useful to the country, and it is hoped, valuable to the Bank.

We shall see with what reason the Institution has been assailed, and the characters of its Directors impeached. We hope the defence the Directors will derive, from the opportunity of exhibiting their books and proceedings, will be in proportion to the patience and equanimity with which they have borne the attempts which have been made to turn the tide of popular feeling

against the Bank of the U. States, as the source of the present derangement of the pre-existing currency.

This measure having been adopted by the House of Representatives, as well for public information as for their own, we shall not be left hereafter to conjecture, or to mere assertion, for facts connected with the subject. We shall wait with patience for the report of the committee, with full confidence of its presenting us an impartial and enlightened view of the subject of its investigation.

Latest Foreign Intelligence.

BY THE ABOVE SCALE,

It will be seen that on an investment of FIVE DOLLARS ONLY, by purchasing as small as a Twentieth Ticket, the handsome sum of TWELVE THOUSAND FIVE HUNDRED DOLLARS may be obtained, and in the worst event, should an adventurer draw a Blank, what is his loss?—the trifling amount of a Five Dollar Note.—Extend the investment even to the also small sum of Twenty Dollars, and if fortunate it will produce the amount of FIFTY THOUSAND DOLLARS—surely the risk is not to be looked at, in comparison with the splendid independence which may result from the trial.—In order to accommodate adventurers of every class, Shares of all the above denominations have been expressly engraved for purchasers at Cohen's Office, so that every one may go to the extent he may think proper, from the amount of a Twentieth up to the full price of a Whole Ticket, which may yield the MAMMOTH CAPITAL OF

Two Hundred and Fifty Thousand Dollars !!

The greatest attention will be paid to ALL Orders, (for Whole Tickets or for the smallest Share) and to accommodate adventurers who may prefer shares, their Orders will be supplied at the same proportion as the Whole Tickets, without any additional charge.—Address to
